when a child is conceived from sexual intercourse between a married heterosexual couple the child has a legal father and mother whatever may happen thereafter the child's parents are legally bound to provide for their child and if they don't they're held accountable by law but what about children created by artificial insemination when it comes to paternity the law is full of gray areas resulting in many cases where children have no legal fathers in *Papa's Baby* Browne C. Lewis argues that the courts should take steps to insure that all children have at least two legal parents additionally state legislatures should recognize that more than one class of fathers may exist and allocate paternal responsibility based again upon the best interest of the child Lewis supplements her argument with concrete methods for dealing with different types of cases including anonymous and non anonymous sperm donors married and unmarried women and lesbian couples in so doing she first establishes different types of paternity and then draws on these to create an expanded definition of paternity

Papa's a mother daughter perspective was written for anyone who has ever had to take an unplanned journey for the teenager who feels alone the struggling parent and the worrying mother it is a reminder of God's grace his love and his provision for those who would dare embrace his plan for their lives

this is mulberry nothing bad ever happens here small towns are generally safe somewhere you can leave your car or home unlocked at night without worry kids frolic around the town joyful to be playing outdoors without parental supervision because it s so safe it s too safe no bad people live in these towns nothing bad ever happens in these towns murders drugs and stalkers don t come here those only happen in big cities right
